

MAGIC!

*) In order to make the rules as simple as possible to understand, some of the terminology has been modified and/or omitted. Thank you for your understanding.

ARE YOU
REALLY
THROWING
THEM
AWAY?

AH, THEY'RE
FULL OF
CARDS.

THOSE
BAGS...

ISN'T
THIS A
Black Lotus?

THEY'RE
OLD AND
DIRTY,
SO HE'S
GETTING
RID OF
THEM.

YEAH.

DAD USED TO
PLAY A CARD
GAME CALLED
MTG OR
SOMETHING.

WHY
!!?

OH, I
SEE...

EEHH!?

OKAY,
AZU-NYAN,
LET'S
DUEL!

OH, I KNOW!
DO YOU WANT
TO PLAY WITH
MY DECK?

EH?
YOU
BROUGHT
CARDS
OVER?

I
BROUGHT
THEM
JUST IN
CASE

WE HAVE
CARDS RIGHT
HERE, AND
YOU KNOW THE
RULES, TOO!

O'MON!

THIS
IS RATHER
SUDDEN...

BUT
LOOK!

BEH...

YEAH...
I CAN PLAY, BUT
THESE CARDS ARE
SO RARE THAT
I'M SCARED OF
TOUCHING THEM.

MY DECK.

THERE ARE SIXTY CARDS.

WHAT IS IT?

HERE.

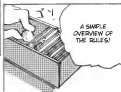

PLAYERS BEGIN WITH A LIFE TOTAL OF TWENTY.

BUT FIRST, LET'S START WITH...

I'LL BE USING THIS ONE.

A SIMPLE OVERVIEW OF THE RULES!

THIS IS
A TWENTY-
SIDED DIE

WHOEVER HAS
THEIR LIFE
TOTAL REDUCED
TO ZERO FIRST
LOSES.

HUH?
YOU KNEW
THAT RULE?

WHOEVER
RUNS OUT OF
CARDS IN THEIR
DECK LOSES?

OTHER-
WISE...

THEN YOU
SHOULD KNOW
HOW YOU
LOSE LIFE
AS WELL.

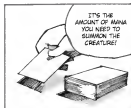

I DIDN'T, BUT THE
LIFE PART WAS
LIKE YU-GI-OH,
SO I THOUGHT
DECKING OUT WOULD
BE THE SAME.

CORRECT!

GETTING
ATTACKED BY
MONSTERS?

OH,
I SEE.

MOUNTAINS PRODUCE
RED MANA.

FORESTS PRODUCE
GREEN MANA.

PLAINS PRODUCE
WHITE MANA.

ISLANDS PRODUCE
BLUE MANA.

SWAMPS PRODUCE
BLACK MANA.

I AM
TOTALLY
LOST!

I KNEW
IT.

YOU WITH
ME SO
FART?

AND A
ROMAN
NUMERAL
ONE

①

SEE?

THERE'S
ONE WHITE
MANA ICON

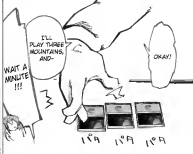

WELL, WHY DON'T
WE START BY
LOOKING AT
THE CREATURE
CARD FROM
BEFORE?
